A vertical cross-section diagram of a road network in Los Angeles, showing major streets like Wilshire Boulevard, Koreatown, Harvard Heights, Exposition Park, and Harvard Park.

A map of the San Francisco Bay Area showing major roads and highways. Key features include the DASHA highway (orange), the BART rail line (blue), and various state routes like 8, 10, 18, 41, 45, 53, 60, 65, 105, 108, and 110. The map also shows the city of Chico and the Central Alameda area.

This map illustrates proposed highway alignments and traffic volumes in Seattle. Key features include:

- Proposed Highways:** A blue line represents a proposed highway alignment along the northern edge of the city, passing through North Seattle and the University District. An orange line represents another proposed alignment further east.
- Intersections:** Major intersections are marked with black dots and labeled with route numbers: 81, 45, 16, 70, 78, 18, 66, 60, 109, 408, 60, 110, and 5.
- Neighborhoods:** The map shows several neighborhoods including North Seattle, University District, Eastside, and Verner.
- Streets:** Streets like "Silver Street" are labeled.
- Population Density:** Shaded areas indicate population density, with darker shades representing higher concentrations.

A vertical strip of a map showing a section of the 101 Freeway in Los Angeles. The map includes labels for Lincoln Heights and Boyle Heights. Major roads shown include the 101 Freeway, 405 Freeway, 710 Freeway, and 251 Freeway. A dashed vertical line runs along the 101 Freeway.
